Adult Piano Adventures Classics Book 2: Symphony Themes, Opera Gems And Classical Favorites

Synopsis

(Faber Piano Adventures). In this inspiring collection, late-elementary to early-intermediate pianists will find appealing arrangements that advance skills while exploring masterworks of Western music. The famous orchestral, keyboard, and operatic repertoire here spans four periods of music history. In the Baroque & Classical section, discover the elegance of Bach, the beauty of Mozart and the passion of Beethoven. Through the pages of the Romantic & Impressionistic section, sample the lyricism of Chopin, the drama of Grieg, and the atmosphere of Debussy. May the melodies of these and many other composers open an enduring world of expression and sound.

Customer Reviews

i highly recommend & own NancyFaber's Adult piano books: 2 Adventure, 2 classical, 2 popular & Christmas classics. All vignette pieces are doable yet challenging for me, 67-years young retired great-grandma, classes 2 semesters. i love the joy of playing & of figuring out the music piece on my own. i love to fireup my Yamaha Clavinova and terrorize the neighbors with the Entertainer, Swan Lake, O miobabbino caro, Moonlight sonata, etc....i suggest the author include Fur Elise in future editions.
