"Graham is a master at world building and her latest is a thrilling, dark, and deadly tale of romantic suspense." â "Booklist, starred review, on Haunted Destiny" "Intricate, fast-paced, and intense, this riveting thriller blends romance and suspense in perfect combination and keeps readers guessing and the tension taut until the very end." -Library Journal on Flawless "The Krewe is back! Graham excels at weaving history, finding the proper balance between past and present and keeping a story fresh and authentic... The chaos and camaraderie of the characters are captured with vivid detail, and the identity of the killer will keep you guessing until the very end." â "RT Book Reviews on Haunted Destiny" "Graham is the queen of romantic suspense, and her latest is proof that she deserves the title. Like more ghost connection and don't like these characters as well. Not very formed and he is over protective and she is not as smart as some before her. Have ordered next book however as I do love knew of hunters .

Always a joy to read Heather Graham's Krewe books. My only complaint is they don't last long enough! Great story, characters keep you turning the pages over and over.

Always love reading Heather Graham's "Krewe of Hunter" books! And this was no exception. Very entertaining story and I am looking forward to reading the next one.

Heather Graham has done it again. The Krewe of Hunters has done it and tracked down another group of evil fanatics. Keep up the good work.

Anyone into the Krewe of Hunters needs to read this. Had me speed reading and sitting on the edge of my seat.

As always, I enjoy getting lost in Heathers weave of history, lore, drama and the how her characters lead you through the story.

Got my attention and kept it. With the right amount of paranormal and romance and mystery.

I'm halfway through the book and I can hardly put it down. It goes right along with the rest of the Krewe of Hunter series.
