Wingshooter's Guide To South Dakota (Wingshooter's Guides)

Synopsis

Chuck and Ben pool their skills and birdhunting savvy in writing another comprehensive wingshooters guide. Together they describe the upland and waterfowl birds found in South Dakota, where to find them, and how to hunt them. Included are over 20 bird distribution maps, hunting tips, and techniques, essential equipment lists, and much more. Each of the four areas of the state are covered, listing the towns, motels that allow dogs in the rooms, restaurants, outfitters, guides and lodges. Hunting on Indian reservations, state and federal lands and the great South Dakota cooperative Walk-In Program are also addressed. With this guide you can plan your entire trip to South Dakota, find a place to hunt the species you want, and be assured of a great start on the hunt.

Pretty good information, but very dated. Would really be nice if they would update the entire series
