The Guns Of Pecos County: A Western Adventure (The Hell Or High Water Western Series Book 1)

Synopsis

It's HELL or HIGH WATER for the gun slinging bounty hunter who always catches his man. This is the new action-packed Western from award-winning author David Watts! After a dramatic gunfight with an Outlaw, Marshal Luke, is hired by a local Governor who has been plagued by high crime in a state bordering Mexico. With roving gangs of murderers flooding across the border the Governor made an election promise to get elected. He would hire the toughest gunfighter to rid the state of crime. He gives the Marshal one order. Remove the filth from my state anyway you can! The Marshal has a hard task ahead of him but with the help of a lady in need, and some good folks who want their state cleaned up he takes the criminals on. Above the law, with a gun in his hand, the Marshal goes to war and all who stand before him have two choices | SURRENDER | OR DIE! This action led Western features a ton of lead, a Bounty Hunter with a bad attitude and a lot of dead BAD GUYS! Ride along as The GUNS OF PECOS COUNTY clean up the lawless state that time forgot!

Customer Reviews

Great read. Would make a great western movie, IMO. Hopefully, this the first of many.

this book never gets your attention' boring at times.

Great story

It was just ok....nothing out of the ordinary. I didn't like the ending at all. Nothing was really resolved.....open ended

Too much back and forth instead of getting to the point of the book. The story line didn't flow smoothly.

I really enjoyed this book, a lot of action and good story also. Looking forward to seeing more of this writer.

This really sucked

The tragically flawed hero, possessed by the demons of his past. Aloof, quiet, deadly with his gun. He's convinced to take on a temporary companion, later takes on a mission to "top" a bandit leader. Can he beat his demons, fulfill his personal mission, and live HEA? It's worth reading just to see who you want play the different roles and direct the movie.
