Malaysia: "Kuching" At Borneo Island By Your Own Self.

Synopsis

When you have a chance to pay a visit to Kuching, the cat city at Borneo Island, take a stroll on the Sarawak River Promenade first. Then, you will meet gorgeous restaurants, pubs, street singers and the traditional buildings standing on both sides of the river. At the end of the promenade, turn your foot to the left. And, you will meet Indian Street just before the famous shopping mall of Parkson, which is standing at Merdeka Square. Kuching Town Mosque, Anglican Cathedral and Merdeka Palace are located near the square. It is said "Downtown of Kuching" in this book. The Night Cruise Tour on the river will give you an unforgettable memory. Above all, when you fly to Bako National Park by a small boat, you cannot help grasp the pole on the boat tightly. Only take a look at the free sample of this book and you will come to know the reason why you can get all attractions by your own self. Even Bako National Park, which takes 1 hour from Kuching by bus, you can fully enjoy your own journey to the jungle. Maps and photos indicated by arrows and explaining boxes together with detailed information especially on the "ways" to the attractions will give you full confidence. Download this book and fly to Kuching at Borneo Island. Then, your mobile phone will show you all the ways to the must-visits at the cat city. You need neither to chase after a guide nor to ask passers-by for your destination. You can get them all by your own self.

Customer Reviews

I was in Kuching for only two days but as usual, Mr Kyung Suk Oh's book was very helpful to me. He does a remarkably good job of guiding tourists around remote but fascinating cities.
