Hide Your Fear

Synopsis

THE ONLY WAY A home provides more than comfort and shelter. It stores memories . . . and hides secrets. DivorcÃ©e Caitlin Stoller and her children recently moved into a charming old Tudor-style house in the coastal town of Echo, Washington. The place was a bargain, but as weeks pass, Caitlin starts receiving messages—first friendly, then unsettling, hinting at the property's dark past . . . YOU'LL STAY ALIVE Caitlin's teenage daughter, Lindsay, isn't fitting in at school. To make matters worse, there are stories about local high school students who've disappeared without a trace—all star athletes, like Lindsay. Then there are the rumors that their new home is cursed. Caitlin doesn't want to believe the whispers, but something strange is going on. Personal items go missing, and there are too many accidents . . . IS IF HE NEVER FINDS YOU The Watcher knows how to get inside the Stollers' home—and inside their heads. The rumors are true . . . but the full horror is even worse. There's no escaping the nightmare that started here long ago, and no place to hide from a killer who knows exactly how this story will end. Praise for Kevin O'Brien's You'll Miss Me When I'm Gone "The suspense builds from page one and ends with a climax you won't see coming." •Ã¢â€šâ€œ Suspense Magazine

Customer Reviews

Caitlyn's bought a creepy house it seems, her kids miss their dad, but besides the swim team, her daughter is just not fitting in. Everyone loves swimmers- one person has an obsession with them. First one, then another disappears. But wait- there were more that just swam off and never surfaced- not right away anyway. I love Kevin O'Brien and his stories are never disappointing.

I love Kevin O'Brien's books, but I have to say that with this one he has surpassed himself. It is his best ever. Superb plotting, twists and turns, breakneck pace. I was in the dark up till the very end--that's how good he is at throwing in red herrings. I can't wait to read more by him.

Hide Your Fear is the latest and greatest amazing book written by author Kevin O'Brien. He writes about the most twisted and diabolical evil characters ever! I highly recommend this and all of this author's books.

I had great expectations for this one. In my opinion, it fell a little short. I'm not sure why but I thought the story line with the kidnapped swimmers was a little goofy/ silly. It just didn't work for me.

OMG! This book was so, so fabulous!!! I love Every book that Kevin O'Brien has written. If you're looking for a new mystery/thriller writer look no further!

A wonderfully written suspense/mystery/thriller. The ending was not a total surprise but wrapped up the loose ends. Already waiting for the next one

This was a decent book with enough twist and turns to keep it interesting, so overall not bad, and interesting story line.

It gets hard to tell the players without a scorecard. Which makes looking for the mulligan a little tricky.
