KERI 2: The Original Child Abuse True Story (Child Abuse True Stories)

Synopsis

CHILD ABUSE TRUE STORIES PRESENTS: VOLUME 2 OF KAT WARD'S SENSATIONAL AUTOBIOGRAPHY! Being a teenager isn't easy. Even kids who grow up in happy, loving households encounter all manner of problems during adolescence. But children who were abused, raped, bullied, mistreated or neglected during their earliest years, face the transition at an even greater disadvantage. For they not only come completely ill-prepared, but also badly scarred, and often still licking the wounds from their childhoods. This second volume of Kat Ward's sensational autobiography covers her plight as she grew in stature, and began to challenge the authority structures that had ruled over her young life so cruelly up until that point. It was a desperate rebellion in true teen spirit, but even with all the will in the world, she was still a child in a world full of grown-ups. And if there's one thing an abuser knows all too well, it's how to wield their power over the powerless. |DISCLAIMER: This is a true story of child abuse. Reader discretion is advised.

Customer Reviews

I cannot understand how there can be so many men she encountered, in such a short period of time, who raped her?! It didn't matter where she went, men were there to rape her. I like the series so far, so don't get me wrong, but I have to wonder how this girl never caught a break when it came to men raping her, and women not believing her. Even the guy who saved her from drowning decided he would call her a slut and rape her. I believe much of the memoir so far, but some of it I don't.

You are killing me with this ending your books at such critical moments! You are an amazing writer! I am truly enjoying reading these books. Keri has found warmth in her heart. Only to have it all dashed away, again! Again, I am left eagerly wanting to read so much more!

Many things in this book seem to be too coincidental to actually be true. I wonder if the author may have embellished somewhat.

Lots of mistakes that were distracting. However, it is a very heartbreaking story. As a mother, I found myself wanting to hurt those that hurt that poor child.

This story is truly astonishing and very well written. I believe you, Keri. I hope you find the peace you deserve.

The story is told in such a way you feel like you actually know Keri. No child should have to live through these situations.

I just want to hug her. I read at night after work while my household is asleep. I've cried myself to sleep most nights. My heart hurts for Keri.
