French Guiana History And Travel Guide: Early History, Government, People, Settlement, Tradition And Custom, Culture, Tourism

Synopsis

The Arawak Indians are the people first known to inhabit French Guiana. The next major waves of people were the Caribs. These peoples came from the north and traveled to the Antilles (most of the islands of the West Indies). The Caribs displaced many of the Arawak. During the age of discovery and Christopher Columbus's journeys, the Caribs were still traveling through the Caribbean. More in the History Book
