Customer Reviews

"More than thirty years ago, when I was a general surgeon at the Cleveland Clinic, curiosity led me to pursue the value of plant-based nutrition for halting and reversing disease. In time our entire family became plant-based, including our twenty-two year old son Rip. Little did I know then that not only would Rip embrace my studies with his usual unrelenting enthusiasm and spirit, he would become a leading proponent of my research and clinical strategies. As a doctor, I could not be more proud. As a father, I am even prouder." •Dr. Caldwell B. Esselstyn Jr., author of Prevent and Reverse Heart Disease

"More than 1,000 Whole Food team members have had incredible results going on the Engine 2 Seven-Day Rescue Diet. You can, too!" •John Mackey, co-CEO, Whole Foods Market
