# Mediterranean France & Corsica Pilot

## Synopsis

This is a comprehensive companion to the long coastline that ranges from Spain and the edge of the Pyrenees to the Alpes Maritimes and Italy. It covers the flat country of Languedoc-Roussillon, the coast of the Golfe du Lion, the RhÃfÂ´ne delta and the Camargue, the industrial Golfe de Fos, the CÃfÂ´te d'Azur and the French Riviera and Monaco. The island of Corsica and the waterways that run behind the coast linking the Canal du Midi and the ÃfÂ©tangs to the RhÃfÂ´ne are covered in separate chapters. In this fifth edition there are new and updated plans, photographs and sections on routes. Full details are given of marine parks and new restricted areas. The introduction has been reorganized to provide improved information on getting to the area, formalities, weather and radio services.

## Customer Reviews

As I stated in another review of a Heikell pilot book, they're my Bibles while sailing the Med. I would NOT start out without them! Rod taught history and adds historical interest to each place described. Also info about restaurants, marinas, etc.

I am very happy with this guide: i have used the previous edition for many years and enjoy the updates
