Vintage Guitar Poster 2: 1965 Fender Telecaster

Synopsis

Taken from the Vintage Guitar Calendar 2007, this Telecaster was made in February 1965. Its serial number is L84194. The color candy apple red which is applied upon a silver foundation indicates that pre-CBS-components were used for making this instrument; an attribute which increases the value of this guitar very much. Muddy Waters is one of the famous guitarists who played his Fender Telecaster in candy apple red live on stage.
