How To Import Wine: An Insider's Guide

Synopsis

Since the 2011 publication of the first edition of *How to Import Wine* tectonic change has fundamentally reshaped the US wine business landscape. This comprehensively revised edition puts this new environment in a manageable, actionable context so that novices and veterans alike will be able to identify dangers and new opportunities in such areas as federal and state regulations, evolving distribution practices, the impact of social media and how to appeal to the new emerging tastemakers: Millennials. Drawing on her real-world experience of these new dynamics, Deborah M. Gray provides essential tools for the establishment of a progressive US wine importing business. As in her first book, she details the critical considerations in branding, packaging, pricing, licensing and regulations, shipping, warehousing, marketing, and more. The book is filled with specific examples of importing triumphs and failures, with particular interest paid to arguably the most important element of business success: acquiring and maintaining effective distribution.

Book Information

Paperback: 304 pages

Publisher: Board and Bench Publishing; 2 edition (November 1, 2017)
