Fodor's Munich & Bavaria, 1st Edition: Plus Salzburg (Travel Guide)

Synopsis

Oktoberfest and beer halls, fairytale castles atop green mountains, and lost-in-time medieval towns are just a few reasons why Munich and Bavaria remain Germany's most popular areas, with 620,000 American visitors in 2006. The World Cup Championship brought the region even more attention last year. Whether travelers want great shopping or classical music in Munich, or the best hiking, boating, and skiing in the mountains and lakes of the Bavarian Alps, this easy-to-use guide has it all. Written by local experts, Fodor's Munich & Bavaria is an insider's key to both the sophisticated urban pleasures and the gorgeous countryside of Germany's heart. A CloseUp boxes focus on German beer and attending Oktoberfest, plus the best beer gardens in Munich. The Romantic Road chapter is a complete itinerary for touring the villages, churches, and castles along this famous scenic and historic route. A Side trip to nearby Salzburg, Austria, covers the highlights of this beloved city. What's Where, Quintessential Bavaria, and If You Like sections at the front of the guide identify the main attractions and experiences. Top Reasons to Go boxes at the start of each chapter make planning a snap. Discerning dining and lodging reviews cover cozy local favorites, fine-dining picks, good-value city hotels, and idyllic mountain inns.

Book Information

Series: Travel Guide (Book 1)

Paperback: 286 pages

Publisher: Fodor's; 1 edition (February 5, 2008)

Language: English

ISBN-10: 1400019230

ISBN-13: 978-1400019236

Product Dimensions: 5.1 x 0.6 x 8 inches

Shipping Weight: 10.6 ounces

Average Customer Review: 3.9 out of 5 stars 7 customer reviews

Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." —Booklist "Fodor's super-informative

guidebooks are known for accuracy and attention to detail" â "The Sacramento Bee" â "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." â "Chicago Tribune" â "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." â "Booklist" â "Fodor's can help you plan the perfect adventure" â "The Arizona Republic" â "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" â "Mid South Magazine" â "Widely recognized as the gold standard of mainstream travel" â "Honolulu Advertiser"

I love how this book was grouped together with the Special Salzburg section. It is designed the way people travel to this area. Many people who visit Munich also try to do day trips to either the Bavaria or Salzburg, so it was nice to not have to purchase separate books (Germany & Austria or Munich & Salzburg). I also liked how the Bavarian area was grouped, by Munich, Romantic Road, Bavarian Alps, Danube, etc.). I would have given this 5 stars except I found it lacked in detail in a few areas. I know a book like this cannot be all-inclusive, but I felt they could have included more hotel/restaurant reviews in the Salzburg sections, and the world-famous Oktoberfest in Munich barely garners a mention (just two paragraphs). Overall it is a nice book to use to help make plans for your trip to that area.

Bought this book because the Rick Steve's books we had for our trip didn't have much info on Munich and Bavaria. This book provided a lot of info about sites but I didn't find it to be as user friendly as Rick Steve's books. The organization makes it a little difficult to navigate and overall just didn't have the personality of a Rick Steve's book. If you can purchase a used copy for cheap it's a fine supplement.

Very helpful in planning our trip

This book was perfect for getting an over-view and doing pre-planning for our trip to Bavaria. It isn't suited for carrying around with you like a field-guide, though. The section on Salzburg was great and helped us decide to go there, as well. It has a good section about road trips, too.

I haven't taken my trip yet so I can't judge the recommendations or the accuracy of the details. I also bought "Rick Steves' Germany and Austria 2008" (which I think is near-great), so I will highlight

Fodor's strengths. This book is well-organized. It's easy to quickly find what you want: Use the thumb tabs to get in the right region, then thumb through looking at the orange page and section headings. The font styles and symbols are easy to read. The maps are excellent. The sightseeing map location numbers are repeated by the sight descriptions. The "Where to Stay & Eat" maps are similar but the location numbers are not carried over to the description section. There are more recommendations for hotels and eating places than in RS. For Munich, they are subdivided by neighborhood. The menu guide translates ingredients such as meats and vegetables. Also this book probably covers every town that a tourist might want to see in Bavaria (more than you see in the Table of Contents) while RS covers only the "best". RS is much better for describing the sights, history, and practical details such as the transportation systems, but I think Fodor's will be a good supplement.

excellent travel book, very helpful, great tips, a wealth of information. the only thing I didn't agree with was the rating of some hotels and their cost, otherwise I used it constantly and I highly recommend it.

I wasn't too impressed with this book. Some of its information is out of date (including entry times to the BMW museum). In addition, there are only about 70 pages devoted to Munich. If you're traveling in the rest of Bavaria, the book may be ok, but it seems like information was just taken out of the Germany book rather than having its own book. In addition, the directions to some of the landmarks were not particularly clear. I would recommend trying a different book.
