City Map, 1:23 000

A great map! I ordered several different maps, hoping to get one that has a lot of detail. The others disappointed, but this one is solid! This is a map-reader's map, meaning that it has tremendous depth of information. It's clear and easy to read. I will be teaching in Munich for six months, and the tourist maps just don't have the information that this map has.
