2500 Adages Of Imam Ali

Synopsis

2500 Adages of Imam Ali
A collection of traditional sayings of Ali. This is a humble translation for a book that can be considered modern, but the information it contains are of antiquity. This is the book of "2500 adages for imam Ali (puh)." The book might not contain exactly that number of adages but it might be some number around that. The book categorizes the adages and sayings in different chapters, each contain a specific branch of life. At the end of the book, there is the "poetic adages" which I have translated without keeping the rhyme, but meaning, as much as possible. The main translations are taken by meanings and not by translating word for word method, for there are different obstacles that are not avoidable in this way. Imam Ali (puh) and Eloquence

Amazing quotes by one of the most wise and loving men that has ever lived. Highly recommended to anyone interested in learning about Ali. Also to anyone interested in the real atmosphere of early Islam, not the radical innovations that are attracting so much attention these days.

I got goosebumps while reading Each adage of Imam Ali (as). Truly, what a mesmerizing character of a human!! I think the book would be even more interesting if a brief was provided as to under what circumstances did Imam Ali b. Abi Talib (as) reveal each proverb.

Awesome Thanks *****

Wise words of a wise man this book is a must for all Muslims regardless of sect, and is good for anyone interested in the teachings of one of the major pillars of Islam.

The collection of sayings does not provide context for each maxim.

The book contains the words of 'babe madinatul Ilm' and 'lisanullah' hence it is bound to be extraordinary.....

i dont think i would have enough words to praise the knowledge of Ali(s.a.). This only adds to show how much of a great human he was.

Can't compare the adages of Maulana Ali AS with anything in the world. Simply out of the world.
