Nice price for the product. This book was required for a college course.

This was the first complete book I read in my adult Spanish class. It took me awhile to read each page because I had to look up so many words, but that didn't affect the story. It's a great book, and little Colibr     (her name means Hummingbird) will tug at your heart.

Secuestrado por un hombre sin escr pulos que la ha forzado a mentir y a pedir para conseguir el dinero, un ni a de 12 a os que la muchacha maya aguanta una vida abusiva, deseando siempre ella podr a volver a los padres ella puede recordar apenas. Mentir y pedir para conseguir el dinero, deseando siempre ella podr a volver a los padres ella puede recordar apenas. Cuando

Tzun'án era pequeña, su madre apodó su Colibrí. En la edad cuatro, Colibrí se secuestra de sus padres en Guatemala City y desde entonces ella haya viajado con el tío, el ex-soldado y el mendigo que vagaba, que resituaron su Rosa. El tío dijo Rosa que él buscó a sus padres, pero nunca los encontró. Yo pienso que este libro es un buen libro. Es bien para niños de como 10-15 es un libro de aventura y buenos tiempos. Y malas personas que quieren matar. Yo recomendaré este libro a los niños del mundo.

This is an excellent book for young adults on up. It brings you into the world of an indigenous Guatemalan girl kidnapped at a very young age and forced to live with her kidnapper for many years. This could make for a depressing story, but the author manages to find beauty in the simplest of circumstances. I found it inspiring. For the reader whose native language is not Spanish, this book is readable if you have at least an intermediate level of Spanish.
