# **Yours Truly, Johnny Dollar, Vol. 2 (Hollywood 360 Classic Radio Collection)**

## **Synopsis**

First heard on network radio in 1948, Yours Truly, Johnny Dollar chronicled the adventures of freelance insurance investigator Johnny Dollar, "the man with the action-packed expense account." For fourteen years it was one of the most popular detective shows on the air, lasting until the final days of network radio drama in 1962. Each story started with a phone call from an insurance executive calling on Johnny Dollar to investigate an unusual claim. His investigations usually required him to travel to distant locales and often involved murder. Over the years, many actors portrayed Johnny Dollar, but in 1955 Bob Bailey took over as the series was switching to a new dynamic format.

Bob Bailey (1913-1983) was an American film and radio actor best known for his role as the eponymous hero in the radio show Yours Truly, Johnny Dollar. He appeared in nearly five hundred episodes from 1955 to 1960. He also appeared in a number of feature films, including Jitterbugs and The Dancing Masters. --This text refers to an alternate Audio CD edition.

Love it. Only issue is in a few episodes the voices of a few actors are not as loud as other actors. I relisten and will be buying more. I especially like the Bob Bailey stories. Seem to have better plot lines than with other actors. And his voice and inflection are nonpareil.

Been a Johnny Dollar fan for years. LOVE having these for road trips.

Great radio show. Reminds me of Mike Hammer.
