Shouldn't she follow her heart? But when the mask slips, and Eva realizes George isn't who she thinks he is, the damage to her heart may never be mended. One lie will break them apart, and George must convince her that the man she fell for in Lead is the same man who loved her in the woods. Customer Reviews

Oh how I love Kari's books! This one was such a great read. The characters took you on a twists and turns adventure. I loved the way Kari weaved her story and kept you wanting to read until you were done. The love between the hero and his lady love was so much fun to see develop and grow into something so sweet, clean and loving. There isn't a book of Kari's that I haven't loved. This one was a pure delight.

I really enjoyed Love in Lead by Ms. Trumbo. Eva and Captain George were a good match. I thought the idea about starting a Library in the town was a wonderful idea and a great way for Eva and George to get to know each other better. This story had different twists that you don't find in your normal romance books. I really enjoyed it and would highly recommend it to others as well. Looking forward to the next book by Ms. Trumbo.

I really liked this book as the story had lots of twists to it and was more than just a love story that was predictable. I read this for free but review was not required. I voluntarily reviewed this book.

this book was pretty good, I have read others by this author and always on the lookout for more by her...the story had a strong woman character in it which I love....good clean read...

I received an ARC of this book but I'm voluntarily reviewing it. I enjoyed the different characters and the plot. I look forward to reading more of this series.

A very good story about believable and likeable characters. I have enjoyed reading this book and look forward to more.

This is the third book in this series and it is a very good story about a young woman that finds love
