Customer Reviews

PreSchool-Grade 2 This accurate and upbeat version of the Bible story is written with a limited vocabulary suited to beginning readers. Although the sentences are short and simple, they are nicely varied and read aloud well. The cartoon style watercolor illustrations in warm tones are well-designed, amusing, and expressive, with a variety of perspectives to add interest. All of the figures have a short, childish look which makes them less menacing. Goliath, a burly loudmouth with spiky red hair and beard, is a satisfying bully, toppling like a felled tree and looking quite peaceful in death. David is shown strumming his harp amid a sea of smiling sheep, bopping a lion about to pounce on a lamb, carrying food to his older brothers in the army, dropping Goliath with a well-aimed stone, and being hailed as a hero by the Israelite soldiers. A good choice for reading aloud and for beginning readers. Patricia Pearl, First Presbyterian School, Martinsville, Va.Copyright

I read this to my son, David, when he was tiny. The first time I put on my big mean giant voice, it scared him. (He was a few months old. I recorded that event, but have lost the video.) Anyway, if you like doing voices of characters, and you are good at it, plus you want your child(ren) to know that story well, this is the book to get. If you get exceptionally good at the voices, even memorize the book, you should make a you tube video of it. I haven't done mine yet, but plans are still in the dreaming stage.

This is perfect for your littles! Limited words it keeps their attention!

An Accelerated Reader book so students can read it and test on the computer. Easy to read and understand, Pictures are amazing!!!I use it in Sunday School and in class to spread the Word!!! LOVE THIS BOOK!!!

Has become one of my grandson's favorite books!

This book stays at my house. When my grandson comes to visit - we always read this book before bedtime. This is his very favorite book. I then sing him the song about David and Goliath. We have good talks about God and His favorite king - David!

The two times it brings god up is a little awkward. God wasn't really introduced so my 4 year old wanted to know who this guy is. I guess it starts the questions but not very useful for answers.

A+

My daughter had this book memorized at 3 because she liked it so much. She has since grown up and now I read it to my preschool class. It is one of their favorites too. They would have me read it

every day for a month (and sing the song of course!).
