Life Is A Test: How To Meet Life's Challenges Successfully

Synopsis

For over 40 years, Rebbetzin Esther Jungreis has been a globetrotting spokeswoman for Judaism. Whether counseling a searching soul or addressing a packed house in Madison Square Garden, her message is elegantly universal, while simultaneously addressing the specific needs of contemporary Jews. In *Life Is a Test*, the Rebbetzin's uncompromising convictions, her insights on faith, her soul-stirring wisdom, and her palpable love of all people saturate every page. *Life Is a Test* is really three audiobooks in one, each bearing a particular focus to help readers look for the hidden significance in challenging circumstances. The audiobook begins with tests of self-discovery and then examines the challenging realm of interpersonal relationships, concluding with a section on perceiving Divine Design in the big picture of global events, as well as in one's own world. Regardless of age or experience, people of all persuasions will find meaningful substance in *Life Is a Test*. Rebbetzin Jungreis has captured many of our deep-seated questions, and has graciously provided us with a decipherable answer key.

Absolutely addicted to Rebbetzin Jungreis' books.. she is an amazing brilliant woman and we all

can learn SO much from her and her books. I highly highly recommend this book to everyone!! Can help in so many different areas of life. Thank you rebbetzin jungreis for another inspiring wonderful read!!!

As a born again believer there is so much to glean from Jewish teaching of Torah. I bought the CDs and enjoyed them very much, need to go thru them again and make notes (didn't care for some thoughts on 2nd CD but the rest had great insight). I love learning about YHVH and Yeshua through Torah teachings!

A must read for anyone and everyone. This woman is a powerhouse of wisdom and morality. She is completely unique and in a class by herself and no one can hold a candle to her.

Good book

Whether you believe everything this rabbi's wife says is the absolute truth or not, the world would be a better place if we all lived as though life were a test, and G-d was watching us to see how we were handling it, how we treat each other, make important decisions, etc, as though we were being graded.:)

Arrived on time as described. Great product and price, thank you

Great tips and learning from Esther Jungreis. She teaches with life examples mixing spirituality, Jewish Torah knowledge and great insight. Reading this book brought harmony to my life, and acceptance.
