Ring of Fire

This book is based on a film made back in the 1970s, that was the best experience of adventure and discovery I have ever seen. The book picks this up, with extensive stories and pictures of remote sites in Indonesia never before by the outside world.

This was a replacement for the one I lost..it is a fabulous book I would not be without.

Few travel books have drawn me in like this one. Insightful prose coupled to splendid photos spark the imagination. The Blair brothers are unique for the sensitivity and spirit with which they immerse themselves in their surroundings. A must-read for Indonesiaphiles. A great read for anyone.
