# Those Who Believe

## Synopsis

Fans of suspense dramas by Robert Cormier and Jay Bennett will eat up *Those Who Believe*! From the creator of the award-winning *Ruby, Between the Cracks* comes a creepy page-turner about fanaticism and vulnerability. P.D. Workman unveils a remarkable, inspiring story pitting trust and devotion against self-preservation, reminding us all just how far fragile life and relationships are. These signs shall follow those who believe... On the run from Social Services and others who do not understand their beliefs, Nathan and his mom, faith-healer Billie Ashbury move into yet another new town. Nathan again faces the challenges of making new friends and of keeping his family's secrets. But what he really struggles with is his wavering faith and reconciling his actions with what his devoted mother has taught him from the cradle. Could disobeying her ever be right? His very life could depend on the answer. Discover a gripping psychological journey in which evil and peril come not from a ghoul or ghost lurking in the darkness, but inside someone you love. How would you reconcile your faith with your instinct for survival? Praise for *Those Who Believe* "...engaging, keeps you guessing, a little creepy at times, good ending" "a great story" "I have struggled with some of the same things as Nathan did, and it was like I was reading my own story" "It was like a kick in the pants." Praise for P.D. Workman "Every single one of [P.D. Workman's] books has spoken to me in ways no one or almost anything else has. And I have found strength in the books I've read." "The way that P.D. Workman writes just flows amazingly and allows the reader to get really invested in a book."

## Customer Reviews

A very uncomfortable book to read. It turns out good.

I chose this book because it talked about a young boy trying to please his mother and yet afraid his faith wasn't strong. All the test and trials he went through showed how strong he really was. She really needed a lot of help. It is a good book and gives you a chance to make your own decisions on this particular form of religion.
