Augustus: Image And Substance

Synopsis

Throughout a long and spectacularly successful political life, the Emperor Augustus (63BC-AD14) was a master of spin.Â Barbara Levick exposes the techniques which he used to disguise the ruthlessness of his rise to power and to enhance his successes once power was achieved. There was, she argues, less difference than might appear between the ambitious youth who overthrew Anthony and Cleopatra and the admired Emperor of later years.Â However seemingly benevolent his autocracy and substantial his achievements, Augustusâ ™ overriding purpose was always to keep himself and his dynasty in power.Â Similar techniques were practised against surviving and fresh opponents, but with increasing skill and duplicity, and in the end the exhausted members of the political classes were content to accept their new ruler.Â This book charts the stages of Augustusâ ™ rise, the evolution of his power and his methods of sustaining it, and finally the ways in which he used artists and literary men to glorify his image for his own time and times to come.Â This fascinating story of the realities of power in ancient Rome has inescapable contemporary resonance and will appeal equally to students of the Ancient World and to the general reader.

Book Information

Paperback: 376 pages

Publisher: Routledge; 1 edition (July 29, 2010)

Language: English

ISBN-10: 0582894212

ISBN-13: 978-0582894211

Product Dimensions: 6.1 x 0.9 x 9.1 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)
