Customer Reviews

I got another title from Joel and I was pleased.. So I came back for this one and I can tell you... I dont feel the soul and the spirit in this ebook. its simple and is not something I can say I am in love!.

You probably can get this on youtube without paying. I will not recommend.

I just bought this Saturday night.... it's Monday now. My husband has been laid off for weeks. As of today.... he was offered a job and I was offered a job working at my church part-time too! All happened today.... blessings abound!

Think I got a defective copy. Quit abruptly. Not very good info or quality recording. I've read and listened to a lot of LOA books. This one has a way to go...
