Code Check Building: An Illustrated Guide To The Building Codes

Synopsis

Code Check Building: An Illustrated Guide to the Building Codes, 4th Edition, emphasizes the key safety principles underlying building codes throughout the United States. Using clear language to ensure compliance with codes at each stage of construction, this edition reflects the most up-to-date changes in the 2015 International Residential Code. Tables and illustrations help to clarify the complex rules and numerous changes in the latest edition of the codes. Specific code changes are highlighted throughout the text and summarized at the end of the book. The Code Check series is one of Taunton's most successful book lines, selling over 1,100,000 copies. Spiral bound, with durable laminated pages, the books in this series are designed to be used on-site for quick reference, ensuring that all jobs meet the highest safety standards while drastically reducing code violation call-backs. The Code Check series is endorsed by the International Code Council (ICC).

Average Customer Review: 4.4 out of 5 stars 18 customer reviews

Best Sellers Rank: #250,232 in Books (See Top 100 in Books) #43 in [Books > Engineering & Transportation > Engineering > Reference > Architecture > Codes & Standards](#) #144 in [Books > Crafts, Hobbies & Home > Home Improvement & Design > How-to & Home Improvements > Carpentry](#) #298 in [Books > Crafts, Hobbies & Home > Home Improvement & Design > How-to & Home Improvements > Do-It-Yourself](#)

Customer Reviews

Redwood Kardon is a former building inspector for Oakland, CA., and is the leading professional lecturer nationwide on building codes. He also owns and maintains "codecheck.com," a website devoted to promoting the Code Check manual. Coauthors Douglas Hansen and Michael Casey have 25 and 18 years of field experience, respectively. All three authors teach seminars for inspectors around the country, using the "Code Check" series as their primary material. Paddy

Morrissey was the senior illustrator for CornerHardware.com and has been the sole illustrator for the "Code Check" series. Skip Walker is a certified residential combination inspector, who has a particular interest in smoke alarm performance issues and deck safety. Paddy Morrissey was senior illustrator for CornerHardware.com. All three live in the San Francisco Bay area. Douglas Hansen lives in Palo Alto, CA.

Serves the intended purpose.

I designed and built my own house... no, I am not a contractor or a professional tradesman other than having worked on Habitat for Humanity over the past decade and listening to advice of retired general contractors. The book and its companions are a 'builders bible'. Even the local building inspector brought one and was pleased to see we both had these references. I passed each inspection first time.

great for quick reference.

Very useful for checking construction methods and materials for code compliance. It's easy to use, concise, and withstands weather on various construction sites. Very good value due to its convenience and ease of use.

I work in construction and have to check things all the time. Best thing about this book is you get an answer in a minute. It's all right there. If you want a comprehensive code guide this is not it. if you want to know the major stuff in a straightforward way this is it.

quality pub.

If you do construction, you gotta have it.

It has good illustration of information A little info on a lot of things that you need in the real application I have the whole set of books as a guide for when you don't remember A code or clearance. The city inspector turned me on to them
