Synopsis

Why should that be a problem? Now that they're both orphans, she could hardly have left Maggie behind. But it is a problem. Albert will not abide any hint of deception. His exaggerated reaction to Maggie's presence threatens to reveal the hidden pain he has worked so hard to hide. Stella is soundly rejected instead of becoming his Mail Order Bride, she becomes his servant. Maggie is begrudgingly allowed to stay. Albert hardens his heart to them both, but within a week, Maggie begins to work her sweet innocent magic. And despite Albert's cold, gruff demeanor, Stella finds herself becoming enamored with him. When a merchant in town shows interest in Stella, Albert finds himself at a crossroads. But he's accustomed to his lonely, miserable existence. How could he change his ways even if he wanted to? Customer Reviews

Two sisters, parents die, older sister becomes mail order bride. It goes from there. I do not by novellas if I know they are that. I usually check the number of pages in a book, which was not available. If you have read the description segment, you have read the story. Save your money for a longer and better story.

Boy if I was Stella I would've kicked Albert so many times and I mean hard! Stella was a sweet kind hard working young lady. She kept her promise to her Mother and dearly loved her little sister Maggie. Albert should've known as an intelligent man that the only way a child becomes so sweet is because of how they had been raised. Another kick to the lump of a man. Enough of my feelings. This was a fantastic book written by Susannah Calloway. She is the type of writer that can get her readers to feel all of the characters emotions. I guess I'm not as sweet as Stella! The story line was a new one for me that I really enjoyed. It was a mail order bride with an interesting twist. This time I think I would kick Albert behind the knee but not hard enough to make him fall! Some men are such big handsome lumps that it takes them along time to see the beauty, sweetness, honest, hard working loving girl in front of them. Thank goodness Albert wised up. You just have to read The Stable Bride. Stable can have two different meanings, which one will you see? I've been married to my husband forty-four an a half years and we'll loved. Albert will love Stella with all his heart?

I enjoyed this book! It was truly a great read! My heart went out to Stella & Maggie when they lost their father. And the bank came & repossessed their home. She became a mail order bride only to have Albert decline to marry her. All because she didn't tell him about Maggie. So glad for the way it all turned out. I suggest everyone read this great book to find out the ending! Thank you Susannah Calloway for a great read!

Loved this book with wonderful characters. I enjoyed the str and the subtle message too.Couldn't put this one down until U finished it.
