Take all of nutrition assessment in put in a little book and you have ADA PG.

One of the best books from college that I can take and use in the real world.

Updated my older version. Great as usual.

Everything as expected!

For all dietitians out there, I really recommend you buy this book. In addition to the information it contains, it was also delivered in a perfect condition. It is small to carry, easy to comprehend and simple to apply. Great book!!!
