Social Problems And The Quality Of Life, 13th Edition

Synopsis

Social Problems and the Quality of Life is a thought-provoking text providing thorough coverage of the social problems that most acutely impact the quality of our lives. Chapters define what a social problem is, and address a number of questions crucial to understanding social problems. Learning is supported through several pedagogical features such as Global Comparison boxes and public policy sections, as well as study questions, internet resources, and ample review materials. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:

Customer Reviews

Robert Lauer received his B.S. and Ph.D. from Washington University, his B.D. from Southern Seminary, and his M.A. from Southern Illinois University. Representatives may reach him at rjlauer@aol.com. Jeanette C. Lauer is a Research Professor at Alliant International University. She received her Ph.D. in Social History from Washington University, St. Louis. She has published numerous journal articles and co-authored fifteen books. Most recently she co-authored *Becoming Family: Building a Stepfamily that Really Works*. She is a member of the National Council on Family Relations, and the Stepfamily Association of America.

Fast shipping and well packaged. Just what I wanted!

ver good

Ordered for college class

I got my kindle book right on my computer the minute I rented... will rent again it's a lot cheaper and faster I will refer to other student who need text books fast and convenient as well. Janice

Great condition!

Decent book that covers the material well.

There is nothing special about this book. It was just a school requirement. I did not find that it was so interesting that I would ever read it again.

It's required for my class....easy to follow
