GURPS High-Tech

Synopsis

All the Gear Is Here! Meticulously researched, GURPS High-Tech gives descriptions and stats for hundreds of kinds of historical weapons and personal armor, vehicles from the stagecoach to modern helicopters, and much more. GURPS High-Tech also has the gear and gadgets characters need. Communication, from early telegraphs to modern computers; tools of the trade for detectives, spies, and thieves; camping equipment, rations, and first-aid kits; business cards, watches, and fashionable duds – this book has it all, for encounters from the wilderness to high society and everything in between. GURPS High-Tech is the complete resource for equipment from the 18th century through the modern age, and will be appreciated by Game Masters no matter what system they use! GURPS High-Tech replaces GURPS High-Tech for Third Edition, GURPS Modern Firepower, and portions of GURPS Covert Ops.

Best Sellers Rank: #236,421 in Books (See Top 100 in Books) #7 in Books > Science Fiction & Fantasy > Gaming > GURPS

Customer Reviews

The print of demands is pretty good, even for a black and version, the dot pitch/resolution and paper quality are good. Bonus Perk: the book fits nicely next to GURPS hardcovers.
