PRAISE FOR GIRLS ONLY: 'It's the perfect first book about periods for girls of primary school age as it provides information at the right level.' •Family Interest Parenting, March-April 2004

Victoria Parker grew up in Sutton Coldfield and went on to read English at Oxford. After having spent 10 years living in London and working for 6 of those in children's publishing, Vic decided to go freelance. She still teaches dance and fitness, a passion since she was young. She has had her work published by a number of other publishers including Belitha Press, Watts as well as of course Hodder.

book was ordered for a boy-it is a girl's book and either i missed the info when ordering or the seller didn't state clearly what it was. the book was in great condition, but i donated it to charity as i had no use for it.

Did a pageant dress with lots of ruffles! Beautiful job! Easy to use!
