Hairspray: Piano/Vocal Selections

Synopsis

(Vocal Selections). Tony-winning musical Hairspray is the latest feel-good Broadway blockbuster, based on the 1988 John Waters movie of the same title. The music is by Marc Shaiman (who wrote the clever score to the musical film South Park: Bigger, Longer and Uncut), with lyrics by Marc Shaiman and Scott Wittman. The story is set in Baltimore, 1962, and the songs are a snappy, affectionate homage to the rock and pop of the period. Our deluxe folio features 8 pages of wonderful color photos from the Broadway production, and piano/vocal arrangements of 12 songs: Good Morning Baltimore * The Nicest Kids in Town * Mama, I'm a Big Girl Now * I Can Hear the Bells * It Takes Two * Welcome to the '60s * Run and Tell That! * Big, Blonde and Beautiful * Timeless to Me * Without Love * I Know Where I've Been * You Can't Stop the Beat.

Hal Leonard Corporation is a Hal Leonard author.

Well produced accompanist sized score of songs and lyrics for stage version . Misses numbrs only in the movie, like "Miss Baltimore Crab" but a great resource e if you're looking for audition material. All show keys far as I can tell.

What can I say? Hairspray is the best!

My daughter is taking voice lessons and needed to get ready for an audition for this show and the book is helping her do that.

I bought this book for my daughter after she unwillingly returned her borrowed copy to the library. If you love the music of "Hairspray", you won't regret adding this to your collection of piano music.

The item is great, but I paid for overnight delivery and didn't get it until a couple days later. Although I was refunded for the amount I paid for overnight, the problem was I needed it and so I ended up paying to have the music downloaded from musicnotes.com site. Thanks, Karen

I tend to find fault with most of these Vocal Selections books, and this one is no exception. I love Hairspray, but unlike most people, I love the character roles songs. So when I bought this book, I was disappointed that it contained neither "Miss Baltimore Crabs", "Velma's Revenge" nor "Big Dollhouse." I was very disappointed that the arrangers of this book only decided to include the requisite "Lead" songs. Hopefully they'll publish one later that includes these three songs. Until then I probably won't buy this one.

very useful. very recommend . fast and in time. The product has an excellent edge, works wonderfully on my homemade bread! my neighbor love it,

Even when I first saw the show when I was 13, I knew the music was infectious and hard to not bob my head to. Thank goodness my mom got this for me; now I can warm up for a concert on all the songs I know and love... to annoy my sister with. lol
