My First Book Of Korean Words: An ABC Rhyming Book Of Korean Language And Culture

Synopsis

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!

Book Information

Hardcover: 32 pages

Publisher: Tuttle Publishing (August 29, 2017)

Language: English

ISBN-10: 0804849404

ISBN-13: 978-0804849401

Product Dimensions: 9 x 0.4 x 8 inches

Customer Reviews

"This book introduces the reader to the Korean alphabet and Korean words. Each page features colorful illustrations and Korean writing." [Audrey, age 7, City Book Review](#) "With just one book, your kids will be exposed to Korean culture and the Korean alphabet in a rhyming beautifully illustrated picture book." [PragmaticMom.com blog](#) "Explore gimchi or kimchi, Taekwondo, and won (currency of Korea) as you learn all about Korea." [Growing Book by Book](#)

blog"Perfect for early language introduction, this hardcover book used the English alphabet to introduce Korean words to youngsters. The hangul writing is included for each word so if you have been learning your Korean letters, you can practice reading the words!"

•TheseTemporaryTents.com blog"Alphabet books that reinforce the beauty and importance of leaning about many languages and cultures." •Booklist"These books work for younger kids and also help teach ABC's. They are a series of ABC rhyming books about Asian languages and culture. Each book has information about how certain letters in the language are pronounced[The books have colorful illustrations and rhyming information using the word from the language of the book and its English version as well as a bit about the word in the particular culture." •Crafty Moms Share
