Michelle Obama In Her Own Words: The Views And Values Of America's First Lady

Synopsis

The election of Barack Obama has brought worldwide attention not only to what his policies will be, but to what kind of First Lady Michelle Obama will be. Throughout the long campaign season, Michelle Robinson Obama garnered a good amount of attention, kudos and criticism about her words, actions, even her appearance, but few people know what kind of role she will play once she settles into the White House. One clue is to examine her words and statements of the past, and the proposed book Michelle Obama In Her Own Words will show readers who are eager to learn more about America's new history-making First Lady. Michelle Obama In Her Own Words will be a book that contains 200-250 quotations arranged in approximately 75 different categories. A short introduction and biography of the new First Lady will precede the quotes. Drawing on quotations from a variety of newspaper and magazine articles, transcripts, speeches, and TV interviews and profiles, the quotations date from Michelle's career as a high-powered corporate lawyer in Chicago and her high-powered executive jobs in the Chicago Mayor's office and at the University of Chicago, up through the election of November 5th, 2008. Rogak locates and organizes the funny, fascinating, inspiring (and occasionally controversial) words of our future First Lady, on topics such as: Abortion • Affirmative Action • Balancing career and family • Barack's safety • Being compared to Jackie Onassis • Her childhood • Her critics • Her fashion sense • Hillary Clinton • Iraq • Racism • Rev. Jeremiah Wright • Sarah Palin • Terrorism • The elitist • tag • The Presidential campaign • The role of the First Lady • Women who have influenced her

A darling book for all to read. You will know the First Lady and her achievements and how she achieved it in this book. Arrived quickly in good packaging. Another excellent book is Speak Tagalog, A Basic Primer by Juanita de Guzman Gutierrez is also on sale at . Like the First Lady, this book will lead you to learn another language for international friendship and diplomacy. Four other books for children for their reading literacy are also on sale at by Gutierrez are The Blessed One, The Just One, Chosen You Forever, Full of Grace. Enjoy all these fantastic books at !!

The name of the book should be "Michelle Obama quotes", because thats all it has. It's a recopilation of quotes from Michelle Obama.

I learned so much from this book. I am buying another one about her.

Lovely little book, would make a wonderful gift. Delivery was fast, thanks

This is a book I read through on a first setting. Since then, I have kept it handy. I find myself picking it up quite frequently, whenever the urge overcomes me to assure myself that not all people in my native country, or elsewhere in the world, are selfish, willfully ignorant, enraged and hate-filled. First Lady Michelle Obama's own words in print serve to remind me that no matter what the circumstance or accident of birth that brought me here, to the United States of America, at this time and to this place, I am a most fortunate individual. The First Lady's words reveal what she is, exactly as she is, which is human. We have that in common, she and I. There is no pretense, no made-up-for-the-public image about this woman. She is the real thing: joyful, funny, wise, extraordinary! Michelle Obama in her Own Words is a book I will buy over and over again to give as gifts, not only for the girls and women I love, but also for the boys and men I care deeply about.

Iuv her

SHE IS A WONDERFUL LADY

Great gifts....
