Customer Reviews

Nice map. Perfectly sufficient for my travel needs. Good maps are hard to find in Ethiopia so buy one before you depart.

Good map on a plain paper in 1:2 Million scale with plans of Adis Ababa and Asmara, including a brief history of Ethiopia and Eritrea

Brand new.

I was wanting a map of Ethiopia. This one definitely has an "Eritrean" leaning. It is "o.k." for Ethiopia, but is quite dated. The service by the vendor was just fine. The product itself didn't meet my needs so well.
