Perfect

Greatest things every invented! I have one for just about every city I have traveled to in the last 5 years. They are compact and very detailed. I would never leave home without one!

I live in Hawaii and buy these maps for people visiting. It's a small map that pops out and has a bunch of little information. I think it comes in especially handy on Waikiki. The map has pretty much every hotel downtown and in Waikiki on it in an easy to read layout. Very helpful for people walking

around trying to find their way. Fits in a pocket or purse.

I have used this map extensively while navigating around Honolulu and Oahu. The map is small, fits in your pocket and unfolds as you open it. It is easy to use while driving around the island of Oahu or the city of Honolulu or walking in Waikiki. This is a very useful map!

OK - I have to admit it - I was sooo happy and lucky, too - to buy this POPOUT Map for the miserable amount of US\$ 1.99 at the Ala Moana Shopping Center - much lower as this Guide/Map is offered here :))But - what's much more important - I have one!!!!This little piece - 13,5 x 9,5 cm aka 5.2 x 3.7 inches - contains more useful informations than many of the big, heavy, 500 pages guides You find everywhere!OK - Let's go with a bit of a system here:Look at it - nice fotos from these Happy Islands, a panorama view of Waikiki, a small map and a Lei - the flowers arranged in a daisy chain to bring You Luck, all of that on the front.Then the tell You what maps You can expect:Maps of O'Ahu - Central Honolulu - Waikiki - Koko Head - Pearl Harbour...But - inside, Buddies - I don't lie - big surprises:Maps of the Hawai'ian Islands, the highest mountains of every Island, a small dictionary of the most common Hawai'ian words, a short history of the Sandwich-Islands, the most favoured beaches...Turn it around and... You will find the flight times between the single islands,the Best Beach Guide, the Watersport Rentals and Schools, the Places of Interest, the O'ahu Towns You maybe want to visit, miles index to the most interesting places counting from Waikiki, the O'ahu Golfing Courses one by one - and logically all the indexes of streets and places You need!And this isn't all You have in the pocket of Your new bought Hawai'ian Shirt...No - not at all!!!In the maps there is a legend of, I cite:Places of InterestParksHotelsShopping Malls/CentersStatuesMonumentsChurchesTemplesBeachesand:BarsRestaurantsFood Chainsetc etc etc...I don't know when I have ever seen a guide so complete of O'ahu, Honolulu, Waikiki...And then - at that price: Only US 1.99, if You are in the Hawai'ian Islands!A very, but very very good reason to go there!!My word as a Girl Scout!!!!PLEASE NOTE THAT THERE IS A MORE RECENT VERSION OF THIS MAP/GUIDE!

WOW!!! I purchased this popout map before my recent trip to Oahu. The format (small size, popout feature) are great and I found this map useful whether driving around the island, catching The Bus to various Honolulu and island locations, and/or walking around Honolulu/Waikiki. I need one of these maps for every place I visit.
