Richard J. Foster's Study Guide For "Celebration Of Discipline"

Synopsis

Delve more deeply into the enduring spiritual guidebook. Richard J. Foster presents a series of brief, incisive essays that expand the discussion begun in *Celebration of Discipline*, which has sold more than two million copies and has been named one of the top ten books of the twentieth century by Christianity Today. These essays focus and clarify key issues, and encourage a fuller understanding and practice of the spiritual disciplines. Each essay is followed by Scripture passages to enhance our appreciation of the disciplines and study questions to facilitate careful reading of the original text and stimulate thought and discussion. Foster also provides an annotated bibliography of readings that suggest directions for further study.

This study guide proved extremely useful in leading our small group in the study of Foster's book. We condensed the study into one night successfully.

Accomplished all I hoped it would. Stimulated deeper thought on book and excellent resource of books written on each topic to explore other thoughts on each topic In the book. Glad I purchased this study guide- I have never thought study guides were of much value. I feel this is an exception. Resources alone worth the cost.

Helpful guide to go along with this powerful book.

Richard J. Foster is one of my favorites.

Foster's teachings on discipleship are desperately needed in the church today. His insights on this much emphasized subject are unique because they flow from the heart of Christ, and are not merely a man made legalistic formula. I heartly recommend studying Foster!

Great study material! In my opinion, it is a bit more in - depth than the original text.

An excellent companion to Foster's classic Celebration of Discipline. This is not a stand alone book, however. It must really be used in conjunction with the main book. It features many excellent scripture references, reflection question, suggested activities and a wonderful bibliography for further reading in each discipline. As a bible study teacher this is an invaluable addition to your teaching collection.

great book, for study guide.
