God's Generals For Kids Volume 3: John Alexander Dowie

Synopsis

Written for 8 to 12 year olds, the third volume in the God's Generals for Kids series deals with the life and ministry of John Alexander Dowie. God used him to bring salvation and healing to untold thousands of people. Dowie's life was filled with many battles. He discovered, though, that the harder the battle, the greater the victory that God gave to him. This book shares some of those struggles and victories in a way that brings the young reader closer to God. Dowie was opposed by many people. The authorities even tried to close down his healing home, and the police arrested him more than 100 times! People even tried to kill him, but it seemed that nothing would ever stop him. Near the end of his life, though, when things went badly for him, Dowie was distracted from what God called him to do. This book shows the reader that when we stand up for God, He will stand up for us. It is filled with phenomenal stories of God at work through the life of one man who simply wanted to please God.

Roberts Liardon is an author, public speaker, spiritual leader, church historian, and humanitarian. He was born in Tulsa, Oklahoma. He was the first male child born at Oral Roberts University, and he was named in honor of the university's founder. He is a well-known author and public speaker, and his books have been translated into more than fifty languages. Roberts has written

more than fifty books, and he has ministered in over 112 countries. Olly Goldenberg has been ministering to children and young people for over twenty years. For many years he led a children's ministry that grew to be one of the largest in Europe. He now works with his wife, Helen, to lead Children Can, a ministry that equips leaders and inspires churches that children can do all things through Christ. Through their ministry thousands of children have fallen in love with Jesus, and gone on to do incredible things for him. He is the author of several books.

This is another addition to a wonderful series. The writing and flow of the book is perfect for my 8 year old and if you were concerned there may be a bias according to the times and events this book is daring enough to address the questionable without casting doubt on the miraculous. It is a very honest approach to an important spiritual time in our nation and for the Christian faith.

What a story of Dowie's adventurous life as he followed God! He even built his own city! I like the Study Guide for Young Generals at the end that include scripture with questions that help your young person think through this well written book that inspires and challenges. You really will want the whole series.

I read this book along with my daughter. We both enjoyed reading it. I finished the book within a day and was ready to begin the next one.

Great book! Get it for your kids, and read it yourself. Buy them as Christmas presents. Great stocking stuffers!
