Customer Reviews

I just finished reading this delightful travel book. It is one of those that could be read in one sitting, but I chose to savor it over the course of several days. Sue Austin is a funny, quirky, practical woman of adventure who has never met a stranger. Her retelling of her four month odyssey made for enjoyable reading. Interesting facts and anecdotes of the places she visited tumbled out. Given the fact that for the most part as a fifty-nine year old woman she traveled alone, this book is also inspirational.
