Nemi (Vol 2) (v. 2)

Synopsis

Nemi Montoya, the cool, romantic, strong-willed, cynical, sexy and all-too-honest twenty-something goth, returns to share more frank and hilarious moments in this brand new collection from artist Lise Myhre! Hang out with Nemi and her mates, including her best friend, the blue-haired Cyan, as they deal with love, friendship, inebriation, sex, and the other really important things of life. A superstar in her native Norway, Scandinavia, Germany and the UK thanks to the immense success of Nemi's comic strip, you too can enter Lise Myhre's witty, wonderful world! Introduction by world-renowned musician/songwriter Tori Amos.

Customer Reviews

Myhre's long-running Norwegian newspaper strip concerns a cynical young goth and her pals. Nemi's got a sort of Morticia Addams look about her; she has a very short temper and delights in shocking children and the bourgeoisie (not to mention reciting facts about spiders); she tends to party much too hard and to end up taking home the wrong guys. The daily strips (and an occasional full-page episode) are punctuated in the middle of the book by a longer story, *Free and Fearless*, in which she encounters her favorite imaginary friend, musician Alice Cooper. Nemi's a naturally funny character, but too many of these strips are generic gags that just happen to have her in them. Perhaps Myhre's jokes lose something in translation (or perhaps awkward lines like and here's me thinking they just threw a dice are a poor translation), but a lot of the verbal humor falls flat. Myhre's

sight gags tend to go over better, but beyond her gift for exaggerated facial expressions, most of her artwork is purely functional, with a broad, big-eyed caricature style. In other words, although Nemi would probably stab anyone who said so to her face, the strip is almost an urban-hipster variation on Cathy. (Mar.) "Funny, honest, and strangely compelling. Who knew how irresistible the misadventures of a hot, rebellious, wise-cracking goth woman could be?" - Jeff Smith (Bone)

I love this comic series, and you should also get the second book! The two main characters are so loveable, especially if you are a 20 something chick. It reminds me of me and my friends sometimes, even though we are not goths. I gave it four stars only because for some reason, there are duplicates! Yeah! You would read a comic strip, and 20 pages later, there it is again. There are a few of those. It's a little annoying but I got over it because I just love these characters.

The sort of racy and risqué daily comic that American papers wouldn't look at twice, and frankly, it's their loss. Follow the adventures of fantastically perky Nemi Montoya as she navigates life, work, partying, sex, rock, and spectres of Alice Cooper, armed with little more than her razor wit and fertile imagination.

Perfect and very fun to read :)

Snarky, witty, and outright funny, Nemi is a great source of humor for those who don't quite fit in.

Nemi is an excellent comic, but the translation is into British English, not American English. Most of the words make sense, but numerous British slang terms and references to British cultural institutions spoil some punchlines. This work merits translation into American English.

Nemi is funny and sophisticated and great reading I recommend it highly. Scandinavians seem to have the best of all worlds no wonder they are always ranked highly in livability polls

I am in love with Nemi. I wish this would be picked up by comic strip agencies over here. It's hilarious, fun, silly...I couldn't stop telling everyone about it for weeks. I dreamed about hanging out

with Nemi! I want a drawing from the artist! I plan on sharing this with a number of friends - I'll buy them their own copies. Don't want their #*&%&R% fingers on mine!

Loved it! The shipping was on time. The quality of the book was perfect, and not to mention the hilariousness inside was great as always from her party animal like ways to her goofy child sense. Everything you love about Nemi.
