Customer Reviews

Compared to other editions that I have seen, this one is much more spread out and has much nicer page turns - just one between the second and third pieces.

low price. This is the first "larger product" in our kitchen collection. Thus far (one week), it is sharp, performs well for chopping and slicing, and has excellent balance and weight. Time will tell how it retains its edge and resharpenes. my family need it , very nice . good.
