The Undercover Groom: Bachelor Billionaire Romances

Synopsis

Enjoy this fast-paced romance by best-selling author, Taylor Hart. Nick Freestone is a cop to the core. He has lived his life in the service of othersâwould die for others. His senses go into full alert when he pulls into a gas station and spots a girl who needs help. But when she extemporaneously pulls him in for a kiss â all his cop senses slip away. Ava Haughtyâno, NOT hottie!...doesnâ like playing the damsel in distress. After being tormented by her ex the past two years, sheâs not sticking around to see what surprise he has coming for their two year â divorce-anniversary.â An unusual dream sends her to Park City where she seeks the help of Sheriff Kantrell, the father of her dead best friend. But, when the Sheriff tells her the hot cop she kissed at the gas station is going to pose as her fianc  she refuses. But Nick Freestone wonât take no for an answer and ends up taking Ava to Jackson Hole, Wyoming on his brotherâs jet, to keep her off the grid for a couple of days until they can figure out how to shut down her ex. Avaâs not in the mood for a nice cop and sheâs really not in the mood for sky diving, self-defense lessonsâor the butterflies that erupt every time Nick is near. Sparks ignite between Ava and Nick as they begin to confide in each other. But Avaâs ex isnât going to take things lying down. Can Ava find the inner strength to overcome her destructive past? And will her undercover fianc  be able to save her in the end? This is a stand alone book, part of the Bachelor Billionaire Romances. Nick is also the 3rd Freestone Brother with a story. Customer Reviews

Nick is all cop--so believable, so true to character. These two hit it off from the start and are forced together, much to the reader's delight. I love the setting, the thriller aspects, and especially the relationship between these characters who I cared so much about. Definitely one of my favorite Taylor Hart books!

This third book in the series about the Freestone brothers is my favorite. Both Ava and Nick are haunted by the past, but hopeful for a new beginning. Nick is an awesome and honorable hero. It is fun to see characters from the Jackson billionaire series again. Serious emotional topics are dealt with including spousal abuse, human trafficking, and stalking. Of course good wins out over evil. The ending is SUPERBLY witty!

Taylor Hart does it again--a perfect romantic, suspense novel that will keep your eyes on the pages of her perfect book and everything else will be neglected. She can keep things clean but still curl your toes--awesomely perfect!

This story was fantastic! I loved all of the characters, especially Ava and Nick. This was a really sweet romance with a lot of suspense. This was just another great Billionaire Romance.

Probably the best one of the series. Who doesn't love a rugged cop with abs! She needed a hero and he only lacked a white stallion and a sunset!

Cheese city

Suspense, intrigue and romance all rolled together for an evening of pure reading pleasure. You will love this book! I did!

It was a fun read.
