Customer Reviews

good job

great product, great value

It's cliffsnotes, what do you expect? Does not replace reading the book but being able to get this digitally on demand is awesome when your kid comes asking you questions about the book at 10

PM for their book report due in the morning... Like most of us Gen Xers, it's been 25 years since we read these books, so helping the Gen Ys is easier with stuff like this.

My nephew has a focused support to his reading!!

Easy to read, useful.

Not what I expected.

Great

worth the money
