poorly edited.

Interesting, but why are the words running together?

It is difficult to read with the lack of editing. There are so many words that are supposed to have spaces and they just run together. Shipping was great and speedy.

It is a ok opener if you to are trying to understand Rastafarian way of life. It could of also have more

information to it

goog

Got this for a friend of a friend... What I heard is that it was appreciated, and no more than that.

There's no way to "review" the words of Haile Selassie I, King of Kings, Lord of Lords, Conquering Lion of the Tribe of Judah. His words speak of Love, Truth & Freedom For-Iver!!!! Selah
