PreS •Continuing the popular series developed by his parents, Berenstain has given readers a story of children who build a snowman but who have trouble deciding on a style before settling on creating a snow angel. Mama takes the opportunity to tell them about Gabriel the Christmas Angel and the story of the Nativity. Hugs and happiness all around. VERDICT Deliberately imitating the art of the original books, this weak entry fails to capture the trademark humor and sass of the series. •Anne Connor, Los Angeles Public Library

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike

continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Adorable story.

Cute book

Good

great gift

Got this for a book exchange at my son's school.

The Bears are beloved in our family. Sweet books with great stories!

43 yrs of Berenstain Bears and 2 generations of fans...this book however a bit too wordy for my granddaughters...or my... attention. Not the learning aid I'd hoped it would be for her/us :)

I only give this 4 stars because although I loved the message, it lost my kids' attentions (ages 5 & 3). Will try this again with them this upcoming Christmas, as I love the message.
