Harry Potter - The Ultimate Quiz Book

Synopsis

The magical world of Harry Potter and his friends (and enemies!) is one that is host to a wealth of wonderful information. Over seven books, J K Rowling has introduced us to a fantastical place where I am sure many of us would love to live - despite the risks of coming across dark wizards or scary beasts! This book contains 400 questions to test the knowledge of any Harry Potter fan. From questions even a muggle should know all the way through to trivia that would test Dumbledore himself, this is an excellent way to enjoy the wizarding world even more. These quiz questions are generally based on the world as told to us in the books, rather than the series of films, as the two are sometimes quite different! Perhaps you will read this book - newly updated and revised for a third edition - on the bus home after a long day at work or school, or maybe you will test your friends and family to see if they are as much of a magical expert as you are.

Customer Reviews

This is a great Harry Potter quiz book. It's the first one I've ordered after reading many reviews.

Some of the questions are super hard and some of them are easy. We had fun passing it around and using it like a trivia game.

If you ever wanted to test your Harry Potter knowledge, this is the book in which to do so! While level one and two were fairly standard and quite easy to answer without having to resort to looking it up; the 3rd level definitely tested my knowledge. Obviously it's impossible to remember every single detail JK Rowling has ever written or said about her beloved wizarding world, but I think only she can answer every question here correctly. Still, this is a great quiz book. It was definitely one of the hardest ones I ever had to take. It not only asks questions from the main books itself, but also the school books and Tales of Beedle the Bard...Also, things she had released on Pottermore. So be prepared to really test just how much you know and remember about Harry Potter. Get this book.

Charged me \$7.99 for a book worth \$1, thin book, couple of pages, my daughter finished it in 20 minutes. Rip off.

My little Harry Potter fan loves this!!! It is fun to play along with her, also. (As a fellow HP fan!) Very good questions.

I am a HUGE Harry Potter fan, and now I can quiz my friend, who is a BIGGER fan!

great

Excellent book! Came in perfect condition and super fast. Lots of interesting facts and questions about Harry Potter. It's hard stuff too. Perfect for the die hard fan, maybe not so much for a beginner :)

Even stuff a hard core Harry Potter junkie can get stumped on.
