A huge waste of money and an even bigger disappointment. Although the book is obviously meant for adults, the puzzles are in no way challenging, with too few dots and could easily be completed

by a child. The end result of every puzzle is a drawing around the outside edge of the picture, and completely lacking in any detail whatsoever-- that is, all the completed pictures are reminiscent of the white chalk-line drawing around a dead body at a crime scene.

Love it

Much more graphic than I thought but very naughty!

Not what I expected. I Thought it would be more like art form in sculpture drawings, but it wasn't. I just tossed it in the trash. My loss. Suggest indicate that it is very graphic - almost porn!Very disappointed, doesn't rate even half a star, but it's still my problem not yours.
