

The book was found

# Brihadaranyaka Upanishad

## Synopsis

Charles Johnston's classic translation and commentary on one of the most profound of ancient sacred texts. The book also contains three introductory articles by Johnston, which shed much light on the Upanishads, their place in history, their influence and connection to other spiritual philosophies of the world. "The great Upanishads were compiled as Instructions for disciples preparing for Initiation. They contain philosophical teaching, and also many stories, generally in the form of spirited dialogues, of great beauty and eloquence, or ironical, but always radiant with spiritual wisdom. If we think of what is here translated as a part of these Instructions, we shall have little difficulty in understanding its significance. . . ." "A single principle links together the great Upanishads and their diverse parts, like jewels strung on a golden thread: the oneness of the Soul and the Oversoul. When we have found the Soul, our inmost real Self, we have thereby found the Oversoul, the Supreme Self of all Being. This is the goal." Charles Johnston

## Book Information

Paperback: 192 pages

Publisher: CreateSpace Independent Publishing Platform (August 13, 2016)

## Customer Reviews

Charles Johnston (1867-1931), was steeped in the wisdom of eastern traditions, having translated the ten Principle (Mukhya) Upanishads of the Vedanta, the Bhagavad Gita, the Yoga Sutras of Patanjali, the Crest-Jewel of Wisdom and other works of Sankaracharya, the Tao Teh King of Lao Tze, along with a running translation/commentary on a series of Buddhist suttas. He also wrote at length on the religious traditions of both east and west, focusing largely on the Vedanta of India and the Christian texts of the New Testament. These writings have been collated posthumously under the title "Hidden Wisdom: Collected Writings of Charles Johnston," a four volume set of over 2500 pages! In addition to this is a further 1600 pages in his five principle works (see below). His

writings are not only impressive in quantity, but also in quality. He elucidates the worlds spiritual philosophies, from east to west, as one united whole, demonstrating the oneness of their core tenets and the high value of their essential teachings. Books by Charles Johnston: The Tao Teh King: Lao Tseâ™s Book of the Way and of Righteousness, 1st Edition (2014). ISBN: 978-1484869161.
