Retirement Plans: 401(k)s, IRAs, And Other Deferred Compensation Approaches (Pension Planning)

Synopsis

Retirement Plans (formerly titled Pension Planning through the ninth edition) is a classic, relied upon by generations of faculty and thousands of professionals throughout the world. It reliably provides the reader with the features, costs, investment opportunities, and regulatory issues governing all the various types of retirement and other deferred compensation plans. The 11th edition keeps the book at the forefront of the discipline, with extensive coverage of Moving Ahead for Progress in the 21st Century Act and the American Taxpayer Relief Act, a discussion of the effects of behavioral economics on retirement planning, a detailed look at the enormous growth in target date funds, and much more.
