Best Funny Jokes For Adults: Funny Jokes, Stories & Riddles, Book 4

Synopsis

Warning! Laughter and delight at ridiculous situations awaits you in this book. Listen with caution. Are you ready to engulf yourself in some silly jokes that will make you smile? Do you want to listen to some off-the-wall jokes that are just adult enough that you may come just shy of sharing them at the water cooler at the office on Monday morning? Well, you have come to the right place. This collection of jokes will give you a chuckle or two with how strange they are, and their funny and entertaining tones. However, they are adult enough that you do not have to share your guilty pleasure with children, giving you something all to yourself. Jokes are often regarded as cheesy or sometimes for children, but not today. These jokes are for adults only. However, you do not have to devote hours on end to get a little bit of entertainment. Listen to them before bed, on break at work, in the bathroom. Pretty much anywhere you will have a few minutes to yourself. Please, enjoy!

Customer Reviews

This is an interesting book on Best Funny Jokes. All of the funny jokes that I need to entertain myself are already included and well written inside. Joe King has done an incredible awesome job in compiling and creating this funny book. The book is short but interesting enough to read! I highly recommend this book to all.

Pretty funny. Great one liners. I liked the tissue joke, I'll add that to my tool belt for sure. Great jokes you can crack anywhere for a quick laugh. It also has some longer jokes to keep you entertained.
