Customer Reviews

A great book! A Head Of A Tale is a wonderful story for kids of all ages. The smooth rhyming words and clear storyline make the tale easy and fun to listen to or read. As a First Grade Teacher I am always on the lookout for literature that is both enjoyable for the students and for myself. And when a picture book teaches a lesson, it's a double win! In this story we learned about the importance of honoring promises made to those we care about, in addition to learning the history of Ganesh! This book would be a great addition to any classroom or library.
